

11 July 2008

Dear Parents/ Guardians,

ANNUAL SCHOOL HEALTH SCREENING

It is the time of the year for your child's annual health screening. Every year the School Health Service teams of doctors and nurses visit our school for their check-ups and immunisations. It is important to keep a healthy body and lifestyle.

We will conduct the Health Screening in the Conference Rooms. The class teacher will bring your child down at the allotted time between **18 to 25 July 2008**.

Immunisation and Health Screening for Children born in 1996, 1997 and 2001

If your child is born in the year of 1996, 1997 and 2001, they will receive immunisation to protect themselves against infectious diseases. Parents have to decide if they want their child to be immunized.

Parents/ Guardians to note: If your child is born in the year of 1996, 1997 and 2001, he/she will need to be immunised under current health regulations. The school is not an authority on the impact of immunisation on children with autism. There are pros and cons according to experts. It is important that you read the enclosed booklet carefully and return the **completed Form for Immunisation, pages 2 to 5 (for children born in 2001) or pages 1 and 2 (for children born in 1997) or pages 2 and 3 (for children born in 1996)**. We will let School Health Service know if you do not wish your child to be immunised. They will inform you accordingly of the consequences to your child.

Only Health Screening for children born in 1992-1995 and 1998-2000

If your child is born in the year 1992-1995 and 1998-2000, they will **only** be receiving health screening and **not** immunisation.

No Health Screening for children born in 2002 and after and 1991 and years before 1991

Students born in the year 2002 and after, 1991 and years before are excluded from the health screening as the School Health Service has confirmed that the Health Screening is only for those 7-16 years old.

Please submit the following to the class teacher by **14 July 2008 (Monday)**:

- **Health booklet with updated medical records for your child**
- **Immunisation Consent Form for children born in the year 1996 (pg 2 & 3), year 1997 (pg 1 & 2) and year 2001 (pg 2 to 5)**
