Parents and guardians are very important partners in providing a total education for our students, especially those with special needs.

You will be updated on the school's latest events and curriculum highlights, which will impact your child. In addition, this term's parent training topics are:

| Pathlight Preparatory (PP) only  | 6:30 – 7:15pm                    | Are You or Your Child Ready for a typical Mainstream School? | Multimedia Room (2 <sup>nd</sup> Level) |
| All Parents (including PP)   | 7:15pm – 7:45pm                  | <b>Parent Training on Daily Physical Exercise Routine</b>    | School Hall                             |
| <b><i>Curriculum Highlights will commence right after the Training Segment and the entire event for <u>ALL</u> will end at 9:00pm.</i></b> |                                  |  |   |

Please remember to turn up to honour the teachers and consultants who have stayed back to run the session for you.

As always, we would appreciate it if you could bring some food items to share with the other parents.
