Dear Parents/Guardians

A warm welcome to you and your child/ward to Pathlight School! Thank you for entrusting us with the education and care of your child/ward.

I am delighted to have you join our Pathlight family. As part of our school's mission, we are committed to helping your child/ward achieve his/her highest potential.

To help you get ready for the new school year, there will be a few **important events that would require your attendance**. These can be found in **Appendix 1**.

As your child/ward embarks on this exciting journey, it is important that you help your child/ward adjust to the new environment and make the most of his/her education. To do so, we have set up a web page (<https://bit.ly/prisch2023>) of important information for parents. In the coming weeks, we will continue to update this web page with new information. Do keep a lookout for such updates!

SCHOOL FEES REDUCTION FOR SINGAPORE CITIZENS

I am pleased to share some good news. School fees for Singapore citizens will be reduced from January 2023. Please see the table below for details:

Programme	Published Monthly School Fees for Singapore Citizens		Published Monthly School fees for Singapore Permanent Residents
	Current	From January 2023	No Change
Primary School, Secondary School & Vocational Track	\$250	\$150	\$350

SCHOOL FEES SUBSIDY APPLICATION

With school fees being more affordable, there will be changes to our financial assistance criteria.

Families with **gross** monthly household income per capita of \$1500/- and below may apply for school fees subsidy. Please note that each application is subject to review and approval by the School Management.

$$\text{Gross Monthly Household Income Per Capita} = \frac{\text{Gross Monthly Household Income}}{\text{Number of Individuals in household*}}$$

**Foreign Domestic Worker is not to be included in Number of Individuals in Household*

For parents who have already submitted the subsidy application, there will be no need to resubmit. We will review your application according to the revised criteria and will inform you of the outcome by **13 January 2023**.

Parents who meet our revised eligibility criteria and have yet to submit the form, please do so by Registration Day.

We hope that this piece of good news will help you get off to a great start for Academic Year 2023!

I look forward to working closely with you to support your child/ward's education and to give them a truly memorable Pathlight experience!

Here's wishing all a rewarding and joyous year ahead!

Yours faithfully,
